

Southwest Solutions Group offers various storage systems and information management solutions to securely and efficiently store valuable records like marriage licenses, property records, and more. Available solutions include high-density shelving, document scanning, and roller deed shelving, all on GSA contracts for cost-effective, organized county offices.

Deed & Docket Book Shelving

Preserve your heavy, bound record books from damage while maximizing your storage space with roll-out deed and docket book shelving.

Rotary Cabinets

This lockable space-saving multimedia cabinet rotates to provide double depth storage for top and end tab files, notebooks, supplies, boxes, electronic media, and more all in the same place.

Mailroom Furniture

Flexible and modular sorting furniture is perfect for processing mail and other documentation. A wide variety of sorters and consoles are available to meet your changing needs.

Mobile Docket Shelving

Counter-high roller rocket mobile shelves maximize storage for deeds, docket, and supplies, using minimal floor space and providing extra counter workspace.

Document Scanning

We offer CJIS-compliant scanning services to digitize active and inactive records, reducing paper storage and enhancing security, efficiency, and access.

Electric File Cabinet

This space-saving, ergonomic filing system is designed to improve productivity and ergonomics. With the push of a button, the ADA compliant units deliver files directly to the operator.

File & Storage Shelving

Whether you're storing end tab files, boxes, books, or supplies, we have a variety of shelving solutions to help you get organized and save valuable floor space.

Document Sorting Systems

We can help you find sorting equipment for your mailroom, copy center, literature storage, and more for the proper and efficient storage and processing of business information.

File Relocation & Conversions

This side tab hanging filing system allows you to quickly and easily convert your top tap files to save space and increase accessibility.

High-Density Shelving

This space-saving storage system can store anything from files to pallets. Get rid of your old file cabinets and cut your space in half or double your storage capacity with high density shelving.

Compacting Box Racks

These compacting racks are designed to store large archival boxes efficiently, allowing you to eliminate costly offsite storage and keep your information at your facility where you need it.
