

We offer healthcare solutions to maximize space and enhance productivity, ergonomics, and safety with automated storage, HIPAA-compliant records management, and modular cabinets. We guide you through planning, design, and installation, backed by multiple GPO contracts.

## Stainless Modular Casework

Stainless modular casework upper and lower cabinets help organize materials and control the spread of germs, bacteria, and viruses in healthcare facilities.

## Sterile Surgical Supply Storage

These adjustable racks offer an ergonomic and sanitary solution for storing sterile packs in your sterilization area to prevent contamination and improve patient safety.

## HIPAA Compliant Scanning

We offer onsite and offsite HIPAA compliant scanning services, information management consulting, and document indexing services.

## Hospital Bedlifts

Hospital bedlifts store up to five beds in a footprint just larger than a single bed. Enhancing space efficiency and productivity for bed, gurney, and stretcher storage.

## Pharmacy & Lab Storage

Flexible pharmacy and lab storage shelving improves the workflow of medical products and can be easily adapted to your changing needs.

## High Density Storage

High-density shelving doubles storage capacity or halves storage space, accommodating all item sizes while improving inventory control, security, and efficiency.

## Built-In Wall Cabinets

Built-in casework cabinets allow for easy and sterile storage anywhere in your hospital. Cabinets store all types of items such as catheters, sterile scopes, and surgical supplies.

## Pharmacy Casework

Pharmacy casework enhances picking accuracy and productivity with tilted shelves and drawers designed specifically for storing medications.

## Pathology Storage

Automated pathology storage machines bring paraffin blocks, tissue samples, and histology slides to an ergonomic waist high level to maximize picking efficiency and storage space.

## Fold Down Wall Seating

Fold-down wall chairs provide comfortable temporary seating that uses less space in patient rooms, waiting rooms, reception areas, and more.

## Wire Storage Products

We provide wire storage solutions to keep your medical facility organized, hygienic, efficient, and supplies accessible at the point of use.
