

TRAKSLIDER™ HIGH-DENSITY STORAGE

TrakSlider™ track-mounted high-density storage system can more than double storage capacity by converting stationary files into moveable systems that require a fraction of the original floor space. Unique design eliminates fixed aisles between shelves, which reduces retrieval time and increases user efficiency.

FEATURES

- Customize for varying storage needs
- Available with 2, 3, or 4 levels deep
- Overhead anti-tip mechanism ensures safety
- Heavy-duty welded carriage
- Leveling guides every 12 inches for maximum stability
- Rubber end stops and smooth-rolling wheels
- Easy, quiet movement
- Lower anti-tip mechanism is available upon request (Standard for Lateral Files)
- Designed for use with 24", 30", 36", 42", and 48" wide shelving units

Shelving sold separately.

DIMENSIONS

- Width: 2 to 7 shelves wide: 4' to 28-1/2'
- Depth: Works with shelving 9", 12", 15", or 18" deep

Weapon racks sold separately.

SHIPPING AND HANDLING

- Weight varies by size and options
- Consult your Specialist for more information

WARRANTY

All products are backed by a Lifetime Product Warranty.
