## HAMMERTONE FINISHES

Specially formulated with a unique hammer texture that is tough, highly durable and provides long lasting protection.

Note: Patterns/colors of textures and metallics will vary due to their nature. No touch up available for hammertone finishes.

**Upgrade available for all 24 standard colors**

**Upgrade available for all standard 24 colors**

Our MedSafe™ antimicrobial finishes with Microban® are specially formulated to protect against bacteria, mold, yeast & mildew for up to 20 years! Very beneficial for educational, healthcare, food processing and other hygiene conscious environments.

Colors shown are an approximate printed representation of the actual color and will vary depending on light source. Actual color samples are available upon request.

Hallowell reserves the right to modify its designs and/or make changes in specifications or colors without prior notice.
