

MODULAR OFFICES & ENCLOSURES • PARTITIONS • BOOTHS • MEZZANINES

Wall partitions are the ideal solution for partitioning existing space either by attaching to an existing ceiling, braced to the roof, or designed to be free standing.

- Customizable with many options for doors, windows, and panel choices
- Modular construction is pre-engineered for a cleaner and safer installation
- Designed to be dismantled or reconfigured in the future
- Can also be completely free standing if no ceiling or roof access

Ceiling Cap has longer legs to absorb any discrepancies in existing ceiling height.

All panel options are available in 1-3/4" and 3"
