PERSONALIZED WITHOUT THE COST OF CUSTOM.

You want your space to be yours, but having custom solutions created is not for most budgets. Versailles offers endless combinations to create a

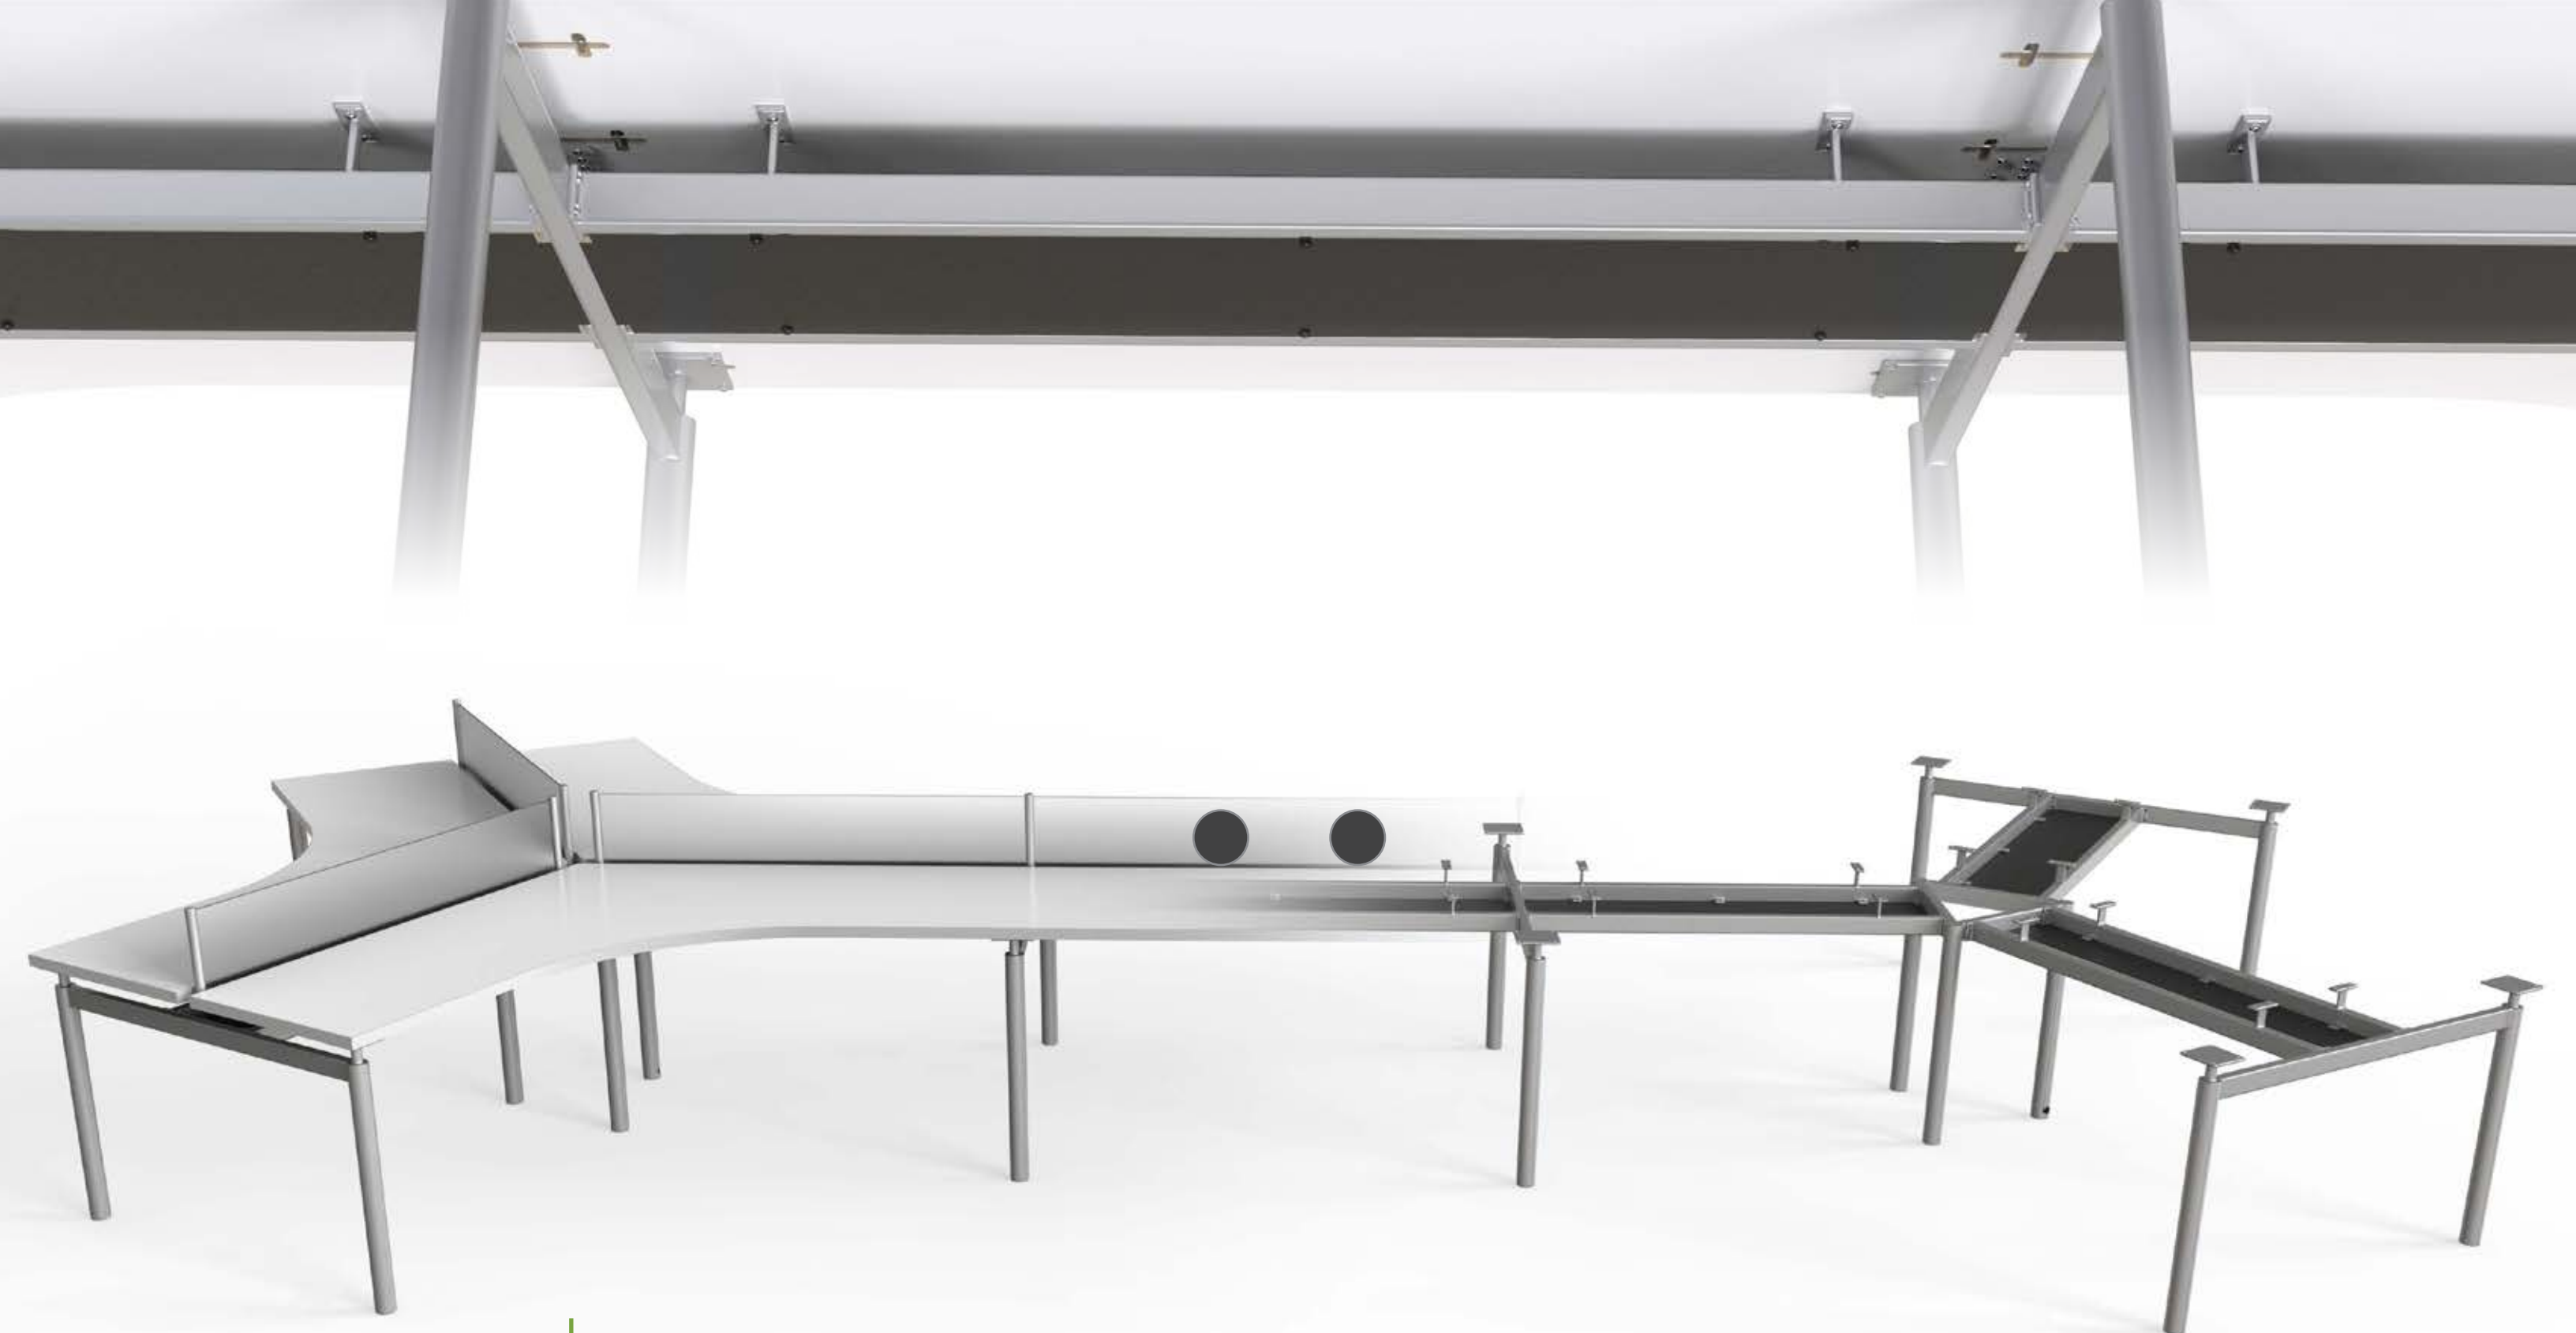

totally personalized look that appears to have been built just for you.

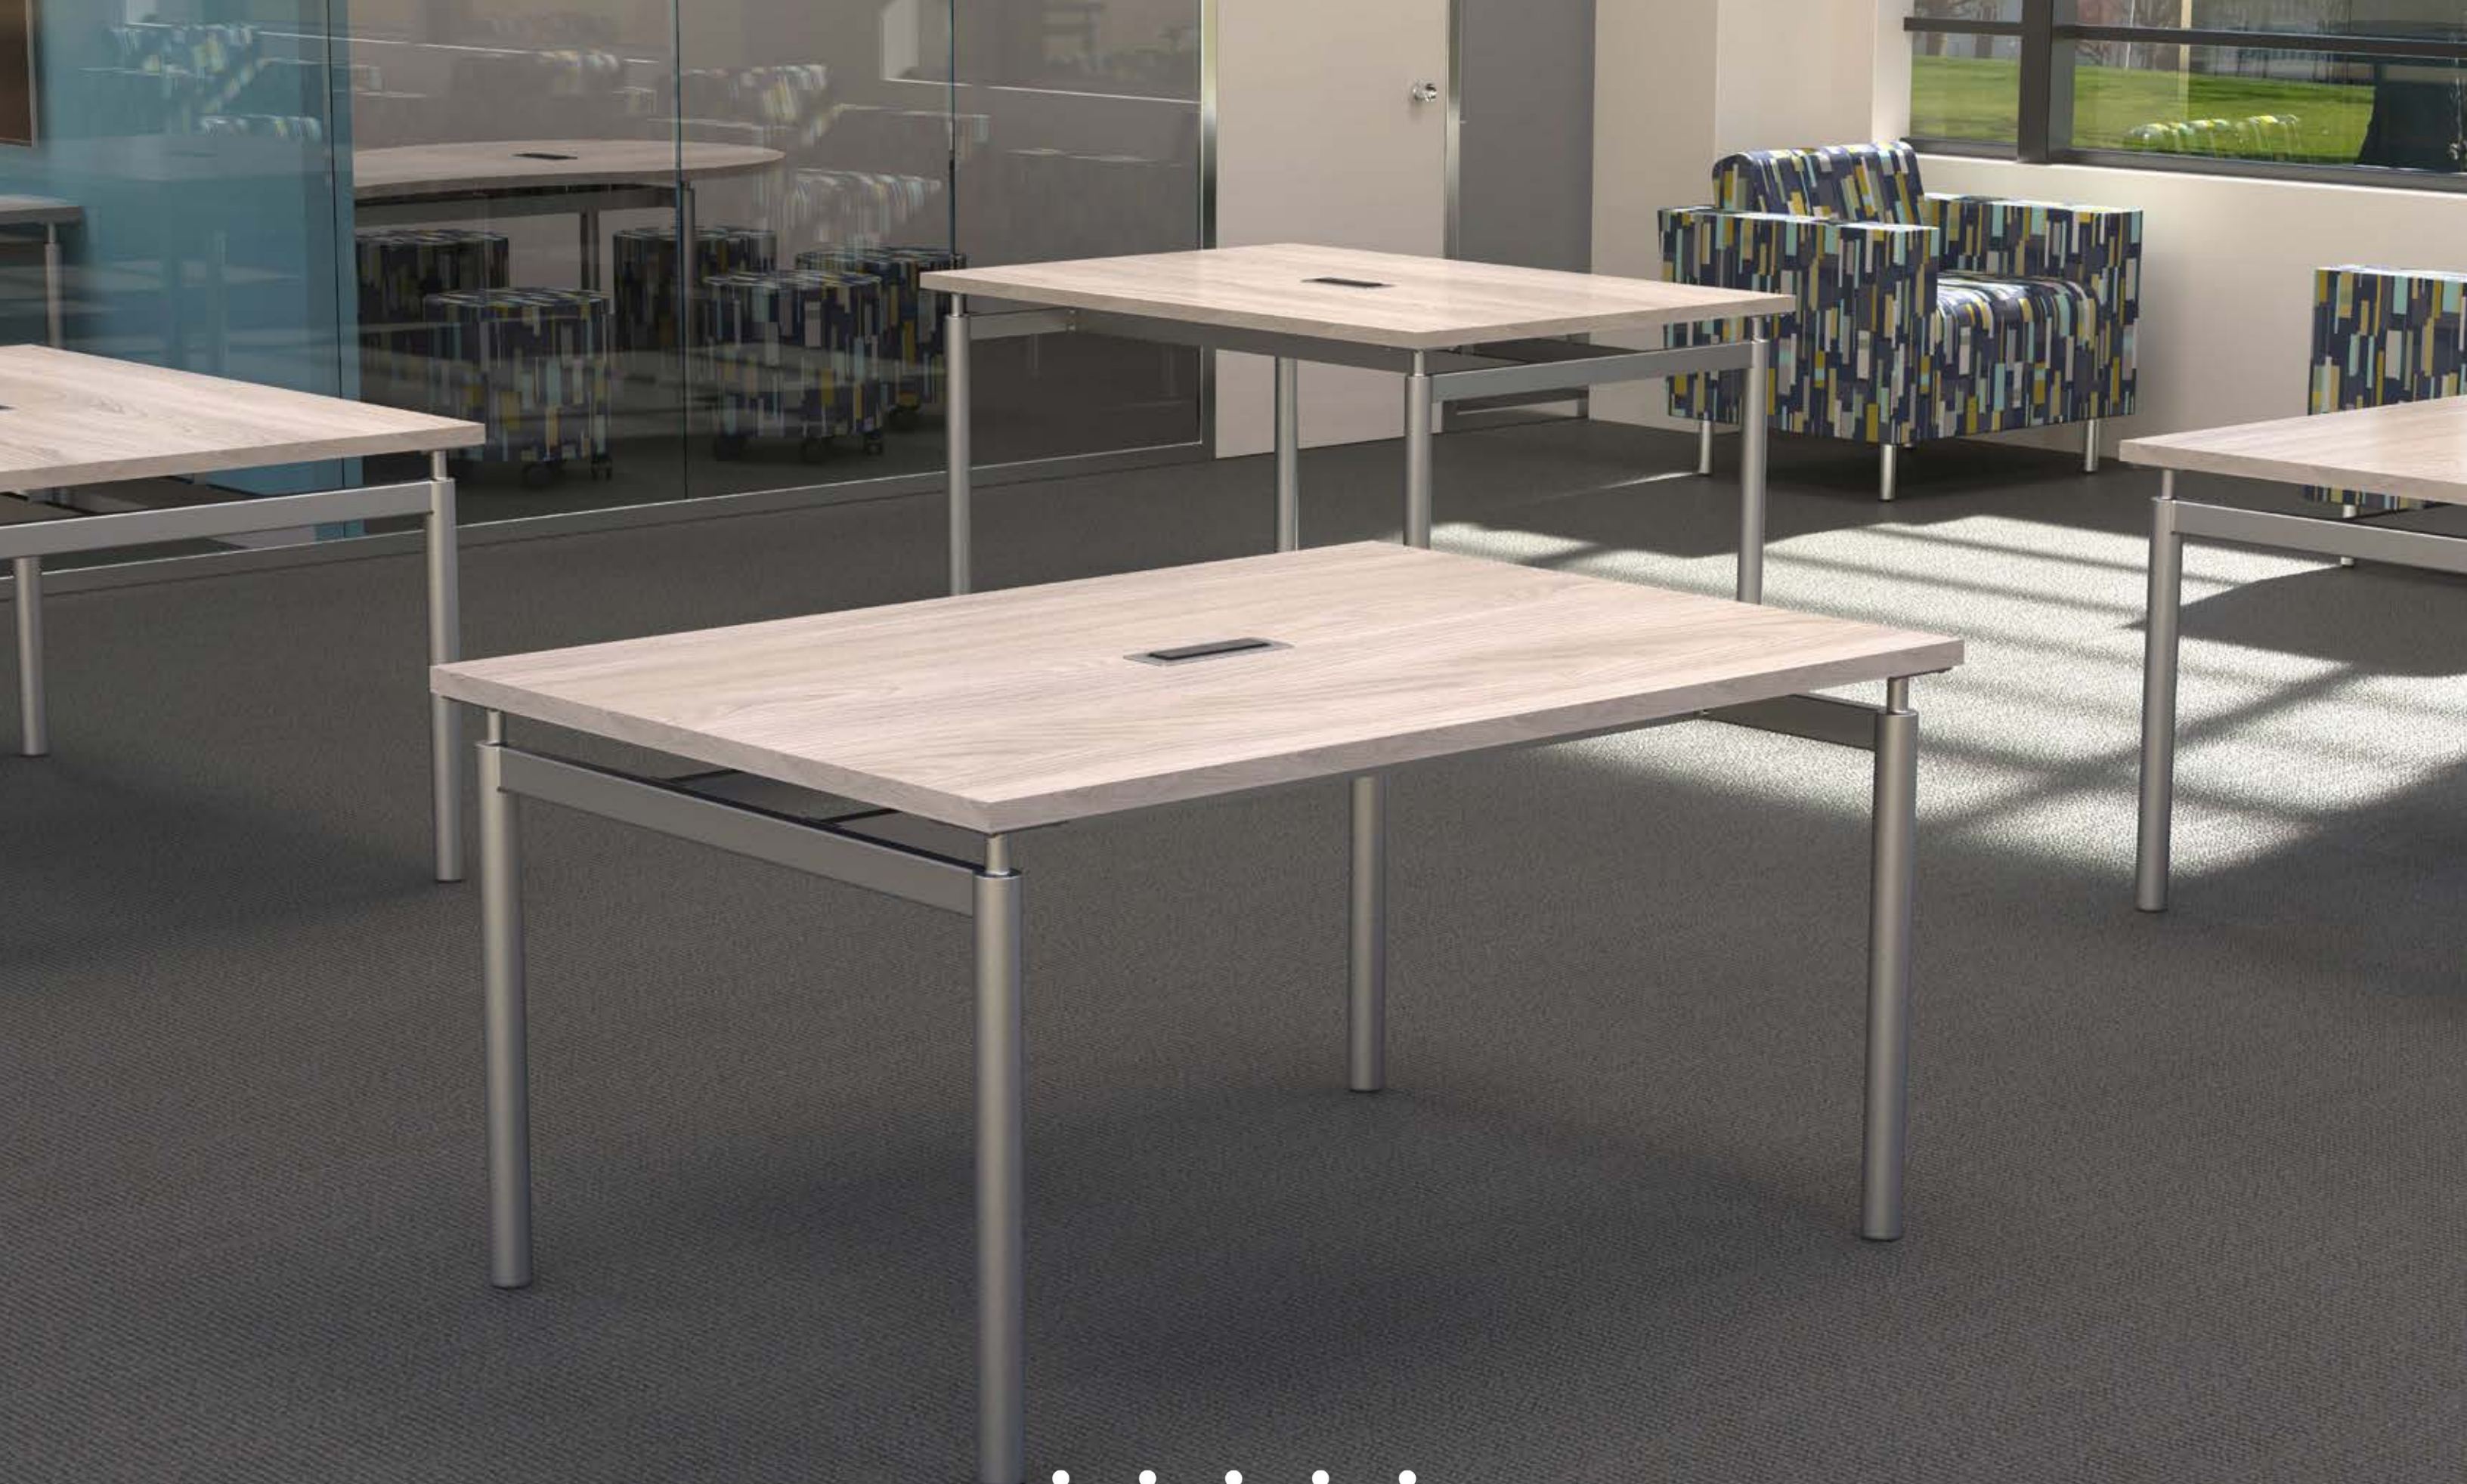

LOOKING GOOD ISN'T ENOUGH.

As with many offerings, the modular nature of Versailles satisfies the needs of any space and allows you to add on or separate when you need to. This adaptability creates an evolving but seamless look that supports any type of workflow.

KEEP WIRES HIDDEN.

Versailles' options mean you can create the perfect style for your needs, but we go even further. Wire-management systems keep spaces uncluttered, along with many other standard details making sure usefulness matches attractiveness.
