

ENTOMOLOGY CABINET MODEL 522

PRODUCT OVERVIEW

The best-selling, full-height Viking Model 522 double-door cabinet features two convenient pullout work shelves and can be configured to accommodate virtually any size entomology drawer.

Its unique, carefully crafted design provides extra space in front and back of the drawers to allow free circulation of air and fumigants. The exceptional construction on this cabinet includes the exclusive Viking Elastomeric Seal™, which provides airtight, dustproof protection to preserve your entomology collections for generations to come.

Shown with optional locks for recessed handles.
